Walked on Grass, SHOT AND KILLED BY A POLICEMAN

Isaac Jaffe Was Fleeing Prom a Clubbing When Bullet Struck Him.

MEANT, TO FIRE IN AIR.

That's Shuttleworth's Explanation - Without Reason, Say Friends of Youth.

When Policeman Alfred Shuttleworth of the Raiph avenue station, Brook-iyn, was arraigned in the Gates ave-wise police court to-day charged with shooting and killing Isaac Jaffe, twen-ty-three years old, of No. 1004 Gates avenue, Brooklyn, witnesses appeared to swear that Shuttleworth had killed Jaffe because he dared walk on the grass in Saratoga Park, and after he was clubbed tried to run away.

The policeman, on the other hand, tried to exonerate himself by telling a story of how he had been set upon by young Joffe. He told, also, of rowdyism in the park, and how he had been assigned by Poitce Captain Steinbruch to see that order was observed.

Young Jaffe was not a rowdy. He sown him in business and by his neighbors. He was junior partner of life father, in the firm of Jaffe & Co., cigar manufacturers, of No. 177 Pearl street, Manhattan.

Attacked on Bench. Young Jaffe went to the park last night. With him were three companions, all of them young chaps of his own age and all youths who are respecied. These companions were John O'Malley, Irving Blum and Harry John-

They were sitting on the bench when Shuttleworth appeared. O'Malley, Blum and Johnson agree that Shuttleworth gan to abuse them. 'He demanded to now if any of them had walked on the grass. Jaffe turned to the police-

"Why, yes. I walked on the grass. I have just been skylarking on the grass around this bench."

The witnesses say Shuttleworth seized Jame by the collar and dragged him from the bench. He closed his fingers about the boy's throat and shook him many times Jaffe objected to this

Then it is declared Shuttleworth drew his club. He beat the youth un-mercifully. He struck hi mover the head, body and legs, and he was striking him when Jaffe caught the club, wrested it from the policeman and hursed it into the roadway. The next Shuttleworth and, struggling for weakness and pain, started to run. Shot and Killed.

Shuttle worth did not attempt to foilow the injured boy. He whipped out his revolver and fired. The builet entered the base of the boy's skull and came out through the ave. Jaffe fell

Shuttleworth was taken to a cell and locked up on the charge of homicide. The bedy of the dead boy was taken to the station-house. Some one carried the news of his killing to his home and his mother made straight for the son's body. There was a pitiful scene when

Shuttleworth has been on the force for eleven years. He was appointed Oct. 23, 1896. Capt. Steinbruch says his
